

# **Camp Shohola for Boys**

## **Online Registration Instructions**

**Please note: Only ACH debits from your checking account are accepted for the deposit for your application. This is because the discount rate we pay to accept payments by credit card is simply too expensive. The payment processing is secure and no security risk is posed to you by submitting the deposit this way. Final payments in May of 2013 will not be made this way. You will be billed and will remit final payment by check to the camp winter address.**

- 1. Click the link on the “parents” “forms” page that says “click here to register your son online”. You will be redirected to the secure registration site.**
- 2. Begin to fill in the personal information. Generally speaking, you will want to make “Parent 1” the parent who will take on most of the communication with us regarding camp.**
- 3. Click the button that says “add a child”. Fill in your son’s information.**
- 4. If you have more than one son, click “add a child” after you have completed the information for each child.**
- 5. Once you have filled in all the info for your child(ren) you are ready to submit payment. Fill in your bank account information and submit. A \$750.00 deposit is required for each child registered. The default amount is \$750.00 so if you are registering more than one child, you will have to change the amount manually. That’s it. You should receive a confirmation email when you have successfully submitted an application with a deposit.**

**Note: there is a “timeout” feature for your security. Please have all your information and your bank account information ready before you begin to avoid filling the application more than once.**
