Camp Shohola for Boys

Online Registration Instructions

Please note: For families with more than one child, you will have to MANUALLY change the deposit amount. It will automatically default to $1000.

1. Go to www.shohola.com and click on the link that says "register now" in the upper right hand corner of the page. You will be redirected to the secure registration site.
2. Begin to fill in the personal information. Generally speaking, you will want to make "Parent 1" the parent who will take on most of the communication with us regarding camp.
3. Click the button that says "add a child". Fill in your son's information.
4. If you have more than one son, click "next", choose your son's session and then click "add a child" repeat for as many children as you may wish to enroll.
5. Once you have filled in all the info for your children you are ready to submit the application to us. Just click the button that says "next" at the bottom of the page. This will take you to the page on which you will choose your final session for the final child.   Then you will click "next". You will see a summary of the registration and the sessions you have chosen for your review. If it all looks good, at the bottom of the page you will click "submit and proceed to payment". This will take you to the secure payment page.

Note: there is a "timeout" feature for your security. Please have all your information and your bank account information ready before you begin and don't stop to avoid entering the information more than once. This entire process can be completed in just a few minutes. But if you wait too long at any point it may force you to start over.
